## PART III: SUPPLEMENTAL INFORMATION

Provide the required psychological evaluations for Maine State Troopers candidates, as well as provide psychological evaluations for existing State Police Officers that have been involved with a critical incident and require a psychological evaluation prior to reinstatement. Psychologists must be licensed and based in Maine and offering services at a Maine address. Psychologists must have experience dealing with law enforcement applicants and in evaluating and treating first responders and/or military personnel.

**2. Provide a brief justification for the selected vendor to supplement the response in Part II.**

The Maine State Police is currently working with two vendors who have history treating law enforcement psychological health and evaluations. The goal is to maintain and supplement this list with additional willing and able mental health clinicians to establish a regional network of providers to provide these services statewide.

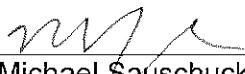

**3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.**

Each vendor will provide quotes for their services and these could vary depending on location, education, and various evaluation techniques used.

**4. Describe the plan for future competition for the goods or services.**

We will continue to look for psychologists with this background that are based in the State of Maine to develop this network.
