PART III: SUPPLEMENTAL INFORMATION

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

Tree Street Youth Evening Reporting Center is located in Lewiston, Maine. Tree Street is in walking distance from Lewiston High/Middle school and neighborhood homes. The Evening Reporting Center serves approximately 120-150 youth daily and served 37 corrections involved youth in 2019. The families that are served within this program are from immigrant or refugee population, indicating the need for a community-based program and culturally diverse and competent personnel to meet the unique needs of the youth and families. The program was established in 2011 and is successful in meeting the unique needs of the Lewiston, Maine diverse population, by providing educational, vocational, mentoring, and youth support to improve positive youth outcomes.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The Department determined that the negotiated cost is consistent with previous years; therefore, the cost is fair and reasonable to successfully complete the desired services.

4. Describe the plan for future competition for the goods or services.

At this time, Tree Street Youth is the only evening reporting center in the state. In the future, when/if other providers emerge which are capable of providing this service, the Department will then seek competitive bids.
