Please respond to ALL of the following:
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.
<p>The RPC Dental Clinic was established in the late 1990's to provide dental services to Mental Health consumers. It was mandated by the AMHI Consent Decree to help alleviate the backlog of mental health patients needing dental care with local area dentists. Riverview Psychiatric Center operates a Dental Clinic in Augusta, Maine (Region II). In order to keep up with the demand for dental services for our clients, we need to renew our current Dental Services Contract to provide dental services for our clients in the central Maine area.</p>

PART III: SUPPLEMENTAL INFORMATION

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

Community Dental has been able to provide the clinic with dental health professionals for the past several years. There is a serious shortage of dental professionals in the state of Maine which makes them extremely difficult to recruit. This is a specialized service and Community Dental is the only agency in the area that is capable of providing dental services for our patients.

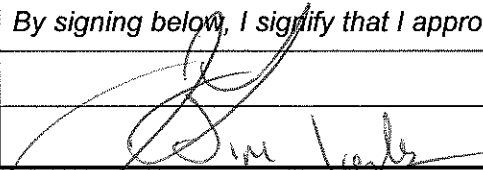

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The vendor has provided these services at a cost that is well within the industry standard for dental services.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to RFP these services in order to maintain patient continuity of care.
