	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i> Signature:

If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The IF&W Sidney facility has a chair lift providing ADA compliance to the second floor of the facility. The chair lift is original to the facility and due to age is very difficult to find replacement parts and knowledgeable service. The vendor is very familiar with the chair lift and provides the department yearly inspections to maintain the vertical and incline lift license. The lift is currently in need of repair to maintain the vertical and incline lift license and although it is not anticipated, costs may exceed \$5,000.00 for the repairs.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

To our knowledge these services are not available within State Government.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The vendor supplied an itemized quote explaining the repair and parts that would be needed. The vendors standard charge for travel is \$285.00 per hour. The vendor has indicated that it is their professional opinion if they were to replace the equipment's power supply module and processor boards at a total charge of \$3,922.73 the lift should operate properly. But, the vendor has offered to bring with them a Logic Board to replace if necessary for the unit to operate properly at an additional cost of \$2076.00 saving us the travel expense for another visit.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Repairs to an aging lift such as this are very unpredictable and repairs need to be completed in a timely manner for the facility to remain operational and ADA compliant. It is expected the lift will need replacement in the next few years and that replacement will be subject to public bid.

Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

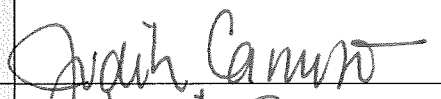

The vendor maintains the lift on a yearly basis and is has many of the parts needed for the repair in their stock. Because the vendor has maintained the lift for several years they have the understanding of what parts have been replaced in the past and what parts are original to the lift.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department’s Commissioner or Chief Executive (or designee within the Commissioner’s Office):
