<input type="checkbox"/>	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;		
<input type="checkbox"/>	B. The Director of the Bureau of General Services is authorized by the Governor, or the Governor's designee, to make purchases without competitive bidding because, in the opinion of the Governor or the Governor's designee, an emergency exists that requires the immediate procurement of goods or services;		
	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i> Signature: Printed Name: _____ Date: _____

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Riverview Psychiatric Center (RPC) continues to have a critical need to contract for psychiatric practitioners which must be provided by licensed and credentialed medical professionals. This contract provides for one staff psychiatrist to provide services at RPC. This service is needed to provide psychiatric and medical treatment to persons with serious and persistent mental illness as mandated by the AMHI Consent Decree.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine’s government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

There continues to be recruitment difficulties in filling State line psychiatrist positions due to the inability to find and retain qualified personnel. This inability to successfully recruit requires us to leave State line psychiatrist positions vacant and utilize contracted providers instead.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost of this contract is considered fair and reasonable for the services received. The person we wish to acquire with this contract is well acquainted with RPC. If we are unable to contract with this person, we will be required to fill this critical position using a locum tenens provider. The prevailing hourly rate for an equivalent locum tenens provider is approximately \$100.00 more per hour and would result in an increase of at least \$83,000.00 to the State.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department is currently in the process to RFP these services under F2018116, for a January 1, 2020 contract start date.

Please note that only one of the two points below (“Uniqueness” or “Timeframe”) requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This Provider, and the person we wish to acquire, has remained consistent through various challenges with RPC and supported the Department with Consent Decree and CMS Certification requirements. Given that this service will be put out to RFP soon, retaining this Provider in the interim will ensure consistency in the services provided to RPC patients while the RFP is being drafted.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):	<i>By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.</i>
