State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) **all** require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The fire pump and the fire pump controller at the State House have failed. Without an operational pump and controller, the fire sprinkler system will not have adequate water volume or pressure to extinguish a fire. This is an immediate life safety concern. These pieces of equipment are both obsolete, and replacement parts are difficult to find and / or not available at all, therefore replacement of both is the recommended solution.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Sprinkler system installations are a highly regulated and licensed trade that are beyond the abilities of the in house state employees.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The stated vendor holds our current maintenance contract. Additionally, they have installed many of the state's systems and have a vast knowledge of all of our fire suppression systems. Their prices for maintenance are extremely competitive and very comparable to market cost.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Going forward, there will be a more aggressive and timely replacement program such that these type projects can be done through the competitive bid process.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

The system has already failed leaving the State House without adequate fire suppression.
