Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

"On April 3, 2019 Det. Ben Campbell was killed in the line of duty in Hampden, Maine. In the aftermath of his death and the planning for his funeral service, Det. Campbell's wife Hilary expressed her concern about preserving the memory of the service for her 6 month old son, Everett. She asked that we create a video of the events surrounding the ceremony to preserve the memory for their family. We were familiar with a Portland-based video production company from their previous municipal and state work and contacted them on short notice. They were able to accommodate our request and completed the work. We are requesting a waiver from competitive bidding based on the very short timeline and emergent and critical nature of the needed service."

No Government provides this service.

4. Cost

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)
