| <input type="checkbox"/>   | B. The Director of the Bureau of General Services is authorized by the Governor, or the Governor's designee, to make purchases without competitive bidding because, in the opinion of the Governor or the Governor's designee, an emergency exists that requires the immediate procurement of goods or services;   |  |                        |
| <i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>  |  | <i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i><br><b>Signature:</b>                       |                        |

| <input type="checkbox"/>   | D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;  |  |                        |
| <input type="checkbox"/>   | E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving:<br>(1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service;<br>(2) A sharing of project responsibilities and, when appropriate, costs; |  |                        |
| <i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here: <a href="http://www.maine.gov/purchases/info/forms/govcoop.doc">http://www.maine.gov/purchases/info/forms/govcoop.doc</a>.</i> |  |  |                        |

**Please note that the following four points below (#2 through 5) all require a response.**

## **2. Description of Specific Need**

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Annual membership fees for the Adult Offender Interstate Compact Commission. Maine DOC is a member of the Interstate Compact which allows Maine to transfer offenders to reciprocal member states of the Commission. Maine, in turn, also receives inmates from the other state members.

## **3. Availability of other Public Resources**

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

This service is not provided by Maine government or other governmental entities, other than the Interstate Commission for Adult Offender Supervision.

## **4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Membership dues are established by the Commission. Based on historical costs (as there is nothing to compare to), the Department feels the rate is fair and reasonable. This year's cost is the same cost for last year.

## **5. Future Competition**

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

Should competition arise of this specialized service, the Department will competitively bid for the service.

**Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.**

## **6. Uniqueness**

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

## State of Maine Waiver of Competitive Bidding Request Form

The Interstate Commission is the only established, authorized commission whose member states are allowed/authorized to transfer offenders to other commission member states who will accept them. Maine, as a member state, will also accept transfer offenders – based on mutual agreement with the transferring state.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
