<input type="checkbox"/>	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;		
<input type="checkbox"/>	B. <input type="checkbox"/>	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i> Signature:

<input type="checkbox"/>	C. After reasonable investigation by the Director of the Bureau of General Services, it appears that any required unit or item of supply, or brand of that unit or item, is procurable by the State from only one source;		
<input type="checkbox"/>	D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;		
<input type="checkbox"/>	E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving: (1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service; (2) A sharing of project responsibilities and, when appropriate, costs;

State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The purpose of this agreement is to extend the end date as the intention is to put the service out for RFP in FY20. The \$ amount has been amended and the date extended for three (3) months.

Peer Support at Mercy Hospital Emergency Dept.

Peer Support Specialists assist patients who present at the Emergency Department to work through their crisis and support them in their visit to the Emergency Department Peer Support Specialists work collaboratively with Hospital staff to find the most appropriate and least restrictive disposition.

SAMHS has determined Peer Support in the Emergency Department to be valuable in cases where individuals arrive in an Emergency Department presenting Behavioral Health symptoms- individuals in this situation often respond better to Peers who have lived experience [like Veterans responding well to other Veterans]. Efforts by Peer Support Specialists in the Emergency Department frequently leads to de-escalation, less need for Crisis Services and, potentially, quicker recovery.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the resources to provide this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Costs for this program are based on negotiations with SAMHS and are cost settled through the DHHS audit department. Based on last years' service provision, this provider reported 3671 manhours at a total cost of \$78,572.00. This works out to \$21.40 per hour and includes overhead.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

SAMHS has added this service to the RFP schedule and agreement date will begin on 10/1/19.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This provider is uniquely qualified to provide this service because they have an MOU currently in place with Mercy Hospital documenting a formal relationship between Emergency Department staff and certified Peer Support Specialists.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

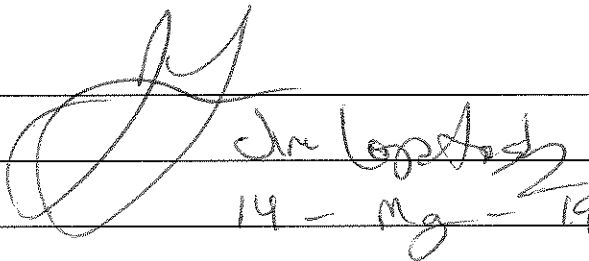

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
