	D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;
	E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving: (1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service; (2) A sharing of project responsibilities and, when appropriate, costs;
	<i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here:  <a href="http://www.maine.gov/purchases/info/forms/govcoop.doc">http://www.maine.gov/purchases/info/forms/govcoop.doc</a>.</i>

	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:
<b>Please note that the following four points below (#2 through 5) all require a response.</b>	
<b>2. Description of Specific Need</b>	
Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.	
<p><b>Live and Work in Maine provided the winning bid to the RFP released in 2017. Now in the first renewal period of the contract services not envisioned in the original contract have presented an opportunity to expand the state's workforce attraction efforts.</b></p> <p><b>Maine is experiencing a workforce shortage of unprecedented numbers, coupled with and aging workforce and fewer young people to backfill positions.</b></p> <p><b>By leveraging the work of the existing contract, Maine is able to better expand its recruitment efforts.</b></p>

**3. Availability of other Public Resources**

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

DECD contracts for Workforce Attraction services as expertise in State Government does not exist.

**4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

DECD has reviewed the expenses related to this expansion of services and has determined they are fair and reasonable.

**5. Future Competition**

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The successes of these efforts will help to direct the scope of future RFP's for workforce attraction.

Waiver of Competitive Bidding Request Form**

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

**6. Uniqueness**

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Maine is facing a significant workforce shortage. With unemployment at record lows, Maine must focus more efforts on attracting and retaining workers from outside of Maine. The existing contract with Live and Work in Maine has specific goals and attraction efforts but the expanded responsibilities under this amendment seeks to expand those efforts considerable.

**7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)**

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Leverage existing marketing efforts to expand into new markets outside of the State of Maine to showcase Maine's job and career opportunities. Partner with DECD on 4 specific workforce attraction events to include but not limited to: Boomerang Weekend in November and Hire a Vet weekend in August.
