State of Maine Waiver of Competitive Bidding Request Form (Formerly Sole Source Authorization Form)

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Department has approximately 1,115 people who volunteer in our correctional facilities across the state. It is responsible and necessary to provide insurance protection for those people when they are in our facilities given the nature of correctional facilities.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

This is an insurance that the Div. of Risk Management could not provide to the Department. We had them search out companies that could provide an insurance coverage for volunteers and CIMA was one of the only companies out there.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The rates appear to be fair and reasonable. The rates are the same as last year.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department is willing to work with the Div. of Risk Management in the future to see if there are more companies in the market that provide this specialized type of insurance. If there are, the Department is willing to competitively bid the need.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

State of Maine Waiver of Competitive Bidding Request Form (Formerly Sole Source Authorization Form)

Due to the nature of life inside correctional facilities it is important that the Department provide liability and accident insurance for the more than 1,100 people that come into our facilities as volunteers to provide assistance to our juvenile and adult clients with things like life skills, mentoring, religious and educational needs, etc. CIMA specializes in volunteer insurance and has been the only company that the Dept. and Div. of Risk Management could find to provide the Department with coverage.

7. Timeframe

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):

By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.
