PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The ARFF live fire trainer is an annual training requirement and 100% reimbursed CA24 expenditure. The contract is \$36,6995.00 per year for a period of 2 years (\$73,999.00) to lock in the price.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

139 Fire is the sole source provider for mobile ARFF live fires throughout the country. The cost savings of having this mobile ARFF trainer brought in, opposed to traveling outside of the state of Maine is astronomical.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The current cost is less than a 1% increase from the last contract negotiated price. Funding for the ARFF trainer is budgeted for every year in the FinPlan, and the state is reimbursed through a 270.

4. Describe the plan for future competition for the goods or services.

The FD will continue to search for the most economical source to complete its annual ARFF live fire training.
