State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

This request is for the Department's annual subscription to the proprietary Orbis Partners, Inc. Service Planning Instrument for Women (SPIn-W). The subscription cost covers 125 users, annual hosting, maintenance & full support of the SPIn-W tool. SPIn-W is a research based gender responsive risk assessment and case management tool that is critical to the delivery of risk reduction services to women and girls served by the Maine Department of Corrections.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

SPIn-W is a proprietary software product from Orbis Partners, Inc. No other government entity or public resource can provide the software.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The vendor's price has increased 2% over the previous year, which the Department feels is fair and reasonable. Annual increases on software maintenance is an industry standard.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department has adopted this gender specific risk assessment as the primary tool for determining domain specific risk /protective factors, appropriate types of programming needs and risk /security levels. Given the amount to time and resources involved with training field and facility staff across the state and incorporating it into daily operations the Department will continue to seek waivers of competitive bid for the utilization of this risk assessment tool.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Due to the nature of the population the Department serves and the risks they pose to themselves and others this tool is an essential factor in staff being able to make informed decisions to maximize public safety; consequently, this agreement needs to be seamless in nature so that it continues to be a part of the Department's daily operations.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):
