<input type="checkbox"/>	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;

By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement. <b>Signature:</b>  <table style="width: 100%; border: none;"> <tr> <td style="width: 60%; border: none;"><b>Printed Name:</b></td> <td style="width: 40%; border: none;"><b>Date:</b></td> </tr> <tr> <td style="border: none; height: 40px;"></td> <td style="border: none; height: 40px;"></td> </tr> </table>		<b>Printed Name:</b>	<b>Date:</b>

	<p>E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving:</p> <p>(1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service;</p> <p>(2) A sharing of project responsibilities and, when appropriate, costs;</p> <p><i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here: <a href="http://www.maine.gov/purchases/info/forms/govcoop.doc">http://www.maine.gov/purchases/info/forms/govcoop.doc</a>.</i></p>
	F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;
	G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.
	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:
<b>Please note that the following four points below (#2 through 5) <u>all</u> require a response.</b>	
<b>2. Description of Specific Need</b>	
Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.	
Washouts from beavers damming culverts on Public Lands cost thousands of dollars annually. The beavers must be removed so control devices can be installed to avoid damage and siltation of streams.	
<b>3. Availability of other Public Resources</b>	
Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.	
This contract is with a Federal Agency

<p><b>4. Cost</b> Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are <b>fair and reasonable</b>.</p>	
<p>Cost was determined by the contractor based on rates they charge other clients.</p>	
<p><b>5. Future Competition</b> Please describe potential opportunities which may be available to foster competition for these goods or services in the future.</p>	
<p>We have had staff in the past who have been approved to remove beavers. If a staff person was willing to take the trapping course and hold a license, we would provide the costs of that training. They could do several areas, depending on location. But, we will always need coverage for more remote locations which are not economical for our staff to travel to.</p>	
<p><b>Please note that <u>only one</u> of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.</b></p>	
<p><b>6. Uniqueness</b> Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particularly unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particularly unique assets.</p>	
<p>An agency must be approved by the Dept. of Inland Fisheries and Wildlife to remove beavers, a protected species under Maine law. The contractor is a Federal agency with authority to perform such work in Maine.</p>	
<p><b>7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)</b> Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.</p>	
<p><b>Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):</b></p>	<p><i>By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.</i></p>
