2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

There has been a steady increase of substance use in the State, particularly in regard to heroin and opioids and their associated problems. A continuum of treatment is needed to address the growing need. Residential treatment services Type I services are along this continuum and are a higher level service to treat substance use acuity.

These services will provide access to treatment so that people are able to address their substance use disorder and enter into recovery. This is a renewal agreement to continue residential substance abuse halfway house services to the clients in this geographic area. The agency is responsible for provision of individual, group and family substance abuse treatment in a residential "Milieu" setting.

As the Single State Authority (SSA), it is the responsibility of this office to allocate SAPT Block Grant and state dedicated and matching funds/ resources to non –profit agencies who have the organizational structure and ability to implement evidenced based treatment to the clients in Maine.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the resources to provide these services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The rates are standardized and consistent with the MaineCare rate as set by MaineCare as stated in the MaineCare Benefits Manual, Chapter III Section 97 appendix B.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

These services are delivered by "willing and qualified providers" who are licensed with the Division of Licensing and Regulatory Services and have a contract with SAMHS.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.
