4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

BRLF monies are awarded through an application process which includes an application for eligibility and, if that is approved, a formal application for funding. Eligible units of general local government in Maine as well as profit and non-profit Maine entities may apply for BRLF monies.

This vendor/provider is one of multiple “eligible applicants”, as defined by the BRLF program, that demonstrated their project met the “eligible activity” and “project benefit” requirements of the BRLF program and was selected for award via the BRLF program application review process.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
