Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Fuel Card Services are an operational necessity for State of Maine agencies, most notably Department of Transportation, Department of Public Safety and Central Fleet Management. Other governmental agencies, counties, towns & cities and educational institutions are allowed to participate in the Master Agreement for these services at the same pricing, terms and conditions. Fuel Card Services include the purchase of fuel and oil, minor maintenance and emergency services, purchases controls on individual cards and card acceptance in all 50 states and Canada.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

These are not services provided by public resources.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The rebates (standard and early pay basis points rates) and signing bonus remain the same from the awarded contract resulting from RFP# 201210406.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The State of Maine is currently evaluating solicitation options to obtain the best value for these services. It's anticipated a new contract will begin on 7/1/2020 resulting from a competitive process

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

WEX Bank was awarded the current Master Agreement via RFP# 201210406 and is, therefore, the best option for the continuation of these services while the State of Maine assesses solicitation options to provide the best value to the state. As stated in #5 above, it is anticipated a new contract, resulting from a competitive process, will be in place by 7/1/2020.

Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
