2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The purpose of this agreement is to offer a parent coaching program to parents and families through Northern Light Mercy Hospital's McAuley Residence, a comprehensive transitional housing program for women who are in recovery from drug and alcohol dependency. This program is to assist families in reunification with their children. A parent coach assists parents in creating parental goals and plans and then supports parents as they put this plan into practice. The parent coaches will be provided by The Opportunity Alliance who will be working onsite with the women and their families.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the resources to provide these services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The rate is the Department negotiated rate with TOA and includes staff time to deliver and document the service. The service is not billable with Mainecare.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department does not intend to RFP this service.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services.
