State of Maine Waiver of Competitive Bidding Request Form

X	G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.
	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Children who enter the State's custody bring with them a wide range of social, emotional and developmental issues. This two-day conference provides an opportunity for staff to participate and learn, along with other target audiences, which include: Kinship Providers, Foster Parents, Adoptive Parents, Social Workers, Clinicians, Adoption Workers, CASA Volunteers, Judges, Attorneys, Educators and other child and family advocates.

The AFFM Conference provides a variety of workshops focusing on key areas of concern within the State of Maine, such as: Parenting and Social Media, Parenting and Addressing Trauma, Being an Askable Parent (YLAT) and Human Trafficking and Exploitation.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

There are no public resources available for this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are fair and reasonable.

If the state contracted with each individual Provider that provides the training at this conference it would be cost prohibitive for the State due to the high cost of transportation, lodging and other travel-related expenses.
