1. Statutory Justification State of Maine statute (5 M.R.S. §1825-B(2)) allows waivers of competitive bidding only for the specific reasons listed below. Please mark the appropriate box (X) next to the justification which applies to this specific request.			
	A. The procurement of goods or services by the State for county commissioners pursuant to Title 30-A, section 124, involves the expenditure of \$2,500 or less, and the interests of the State would best be served;		
	B. The Director of the Bureau of General Services is authorized by the Governor, or the Governor's designee, to make purchases without competitive bidding because, in the opinion of the Governor or the Governor's designee, an emergency exists that requires the immediate procurement of goods or services;		
If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.		By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement. Signature:

State of Maine Waiver of Competitive Bidding Request Form

X	<p>C. After reasonable investigation by the Director of the Bureau of General Services, it appears that any required unit or item of supply, or brand of that unit or item, is procurable by the State from only one source;</p>
	<p>D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;</p>
	<p>E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving:</p> <p style="margin-left: 20px;">(1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service;</p> <p style="margin-left: 20px;">(2) A sharing of project responsibilities and, when appropriate, costs;</p> <p><i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here: http://www.maine.gov/purchases/info/forms/govcoop.doc.</i></p>
	<p>F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;</p>
	<p>G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.</p>
	<p>If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:</p>

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Currently, the crane system is grounded through existing steel components (from electrical sources, through wheels, to building steel, to ground). Due to changes in OSHA Regulation, this practice is no longer acceptable and requires the installation of components with a dedicated ground.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Crane maintenance and repairs can only be accomplished by certified personnel. There is no one in DVEM trained or certified to do the work. DVEM did a formal RFP process for the Repair of Crane Grounding System. There was no award made, as the result of that RFP. Nor were there any valid bids submitted.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Department of Defense, Veterans and Emergency Management - Air National Guard, estimated cost for repairing crane was \$39,000 before getting a quote from New England Crane

Materials: \$25,863.00
 Installation: \$13,757.00 (includes lift rentals)
 Total: \$39,620.00

5. Future Competition

Please describe potential opportunities, which may be available to foster competition for these goods or services in the future.

Will follow proper purchasing requirements, guidelines and competitive bids.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Crane maintenance and repairs can only be accomplished by companies that have certified personnel to accomplish the work and then certify the crane for use after completion and final inspection. For Air National Guard (ANG) to be able to use the crane, it must have the electrical grounding systems upgraded to meet present OSHA requirements. The crane in Bldg. 541, Jet Engine Maintenance Facility, Bangor, Maine is a critical component to the maintenance of ANG jet aircraft engines in their maintenance facility. It allows them to work on up to 4 engines simultaneously. Without this certified crane, they cannot work on jet engines and meet mission critical time frames, so it is imperative that they get the crane upgraded for use, as soon as possible.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
