State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Provision of this service is included in the Bates vs. DHHS Consent Decree plan. (Vocational Opportunities section page 43- 45) http://www.maine.gov/dhhs/samhs/mentalhealth/consent_decree/cd-plan/index.shtm This service places Employment Specialists in mental health agencies within each region of the state. The Employment Specialists will perform multiple types of activities directed at helping consumers obtain employment, maintain employment, and improve their employment-related skills.

Unemployment for individuals living with serious mental illness remains very high in Maine. This is an identified priority for SAMHS and is listed under compliance strategies for the Consent Decree. This service uses the evidence based Individual Placement and Support model of supported employment to integrate employment services with behavioral health services. Specific employment services delivered under this contract are not currently Medicaid reimbursable services nor is there capacity within the Vocational Rehabilitation system to meet the needs identified without this service.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department currently does not have the resources to provide these services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost of the renewal of the contract is based on methodology utilized in the initial RFP and is consistent with FY18 funding.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department will RFP this service for a new agreement start date 7/1/2020.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

This provider was the sole bidder for the last RFP for these services (RFP# 200708022). They have the infrastructure in place including MOAs with host Behavioral Health agencies. The provider also has staff training in the Individual Placement and Support model of supported employment which is used in this contract. In an evaluation of potential vendors for this service in the state, SAMHS has determined this vendor is the only vendor with required training, certification and capacity to deliver this service.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
