X	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:	Any willing and qualified candidate can be approved as a CRP. Client chooses CRP they want to work with.
Please note that the following four points below (#2 through 5) <u>all</u> require a response.		
2. Description of Specific Need Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.		
<p>The purpose of this amendment is to extend the contract date through 12/31/2019 with an increase in funding of \$40,000.00 which is appropriate and necessary. This amendment will allow Brilliant Networking LLC to continue providing CRP services to VR clients while the RFP is ongoing.</p>		
3. Availability of other Public Resources Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.		

**State of Maine
Waiver of Competitive Bidding Request Form**

The Department has determined that there is not sufficient staffing, resources, or expertise available within State of Maine's government, or other governmental entities external to the requesting Department, which would be able to address the identified need.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

All CRP's are reimbursed at a standard rate (see Standard Fee Schedule included with Rider A) or visit <http://www.maine.gov/rehab/crp/index.shtml>.

All employment services are authorized by Vocational Rehabilitation Counselors depending on individual client needs.

The additional funds needed were determined by the average of the previous total awarded amounts and the time frame of expenses incurred.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

An RFP is currently in process.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

Agencies or individuals can apply at any time to become a Community Rehabilitation Provider or CRP, but must demonstrate compliance with applicable laws and standards required by the Rehabilitation Act of 1973, as amended. Our federal funding authority, the Rehabilitation Services Administration mandates that consumers have a choice of service providers. Therefore, rather than contract with a single provider (CRP), BRS needs to maintain a list of approved or accredited providers from which consumers may choose.

Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
