	B. The Director of the Bureau of General Services is authorized by the Governor, or the Governor's designee, to make purchases without competitive bidding because, in the opinion of the Governor or the Governor's designee, an emergency exists that requires the immediate procurement of goods or services;		
	<i>If citing the above justification for this Waiver of Competitive Bidding request, please have the requesting Department's Commissioner or Chief Executive (as the Governor's "designee") sign and date on the right.</i>	<i>By signing below, I signify as the Governor's designee there is an emergency that necessitates this non-competitive procurement.</i>	
	Signature:	Printed Name:	Date:
	C. After reasonable investigation by the Director of the Bureau of General Services, it appears that any required unit or item of supply, or brand of that unit or item, is procurable by the State from only one source;

	E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving: (1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service; (2) A sharing of project responsibilities and, when appropriate, costs;

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

This contract is for the purpose of contracting with a person familiar with assisting a Forensic Pathologist. The person will assist in the position of Medical Examiner Assistant; prepare facilities/bodies for Autopsy; assist during the procedure under the supervision of a medical examiner; obtain/process tissue, organ and fluid samples for testing; clean equipment/facilities and prepare the body for funeral home transport; post procedure and any other duties as needed to complete examinations/autopsies at the location of OCME, 30 Hospital Street, Augusta, Maine. There are two full-time Medical Examiner Assistants employed by OCME.

The additional assistant is designed to distribute assisting the forensic pathologists with the autopsy case load in a manner that will ensure efficient and timely completion of cases. Delays in processing of cases results in delays of closure for families and delays in paperwork completion from insurance companies. When the Medical Examiner Assistants are not available to assist, Ms. Brugger may cover.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

There are two full-time Medical Examiner Assistants employed by OCME. This additional coverage is when those assistants are not available, usually on a weekend or after the assistants have already worked more than normal number of hours in a week. The work of the OCME is such that employees need an opportunity to get a break from it. But the work can't stop because delays impact families, insurance processes, investigation processes, etc.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The OCME has negotiated with Ms. Brugger an amount of \$250 for the first case in a day and \$200 for additional cases that day. Ms. Brugger is a former OCME employee; she has the experience of the position and the knowledge of the OCME technology and procedures. This makes her more efficient than a temp.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

We are not aware of anyone meeting the qualifications and able to assist in this role.

Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
