State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The purpose of this Agreement is to provide State-funded Home Support services to consumers as specified by the Department. The need for these services is unpredictable and is urgent when it occurs.

The provided services are characterized as "Emergency Transitional Housing Services". The Provider is expected to begin delivery of these services within 24 hours after referral of a consumer to the Provider by the Department. The need for these services is expected to be temporary, until they are no longer needed by the consumer or a permanent placement of the consumer is made.

Provider shall provide Home Support Services to eligible consumers as directed by the Department, in accordance with the consumers' Person-Centered Plans, and applicable provisions within 10-144 C.M.R. ch. 101, ch. II, §§ 21 – Home Support – Agency Per Diem.

This amendment adds funding to support an increased need for services.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department nor any other governmental entity has the staff, resources and expertise to provide this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost of the service shall be the Agency Home Support rate specified in 10-144 C.M.R. ch. 101, ch. III, §§ 21, Appendix I. The cost is therefore considered fair and reasonable.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department does not intend to RFP these services because any willing and qualified provider can provide these services.

State of Maine Waiver of Competitive Bidding Request Form

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The Department, Office of Aging and Disability Services, has determined that this provider is willing and qualified to provide the State-funded Home Support services characterized as "Emergency Transitional Housing Services". The Provider can begin delivery of these services within 24 hours after referral of a consumer to the Provider by the Department on a temporary basis until they are no longer needed by the consumer or a permanent placement of the consumer is made.

This Provider is fully qualified to provide Home Support Services to eligible consumers in accordance with the consumers' Person-Centered Plans and the applicable provisions of 10-144 C.M.R. ch. 101, ch. II, §§ 21.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
