Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Certified Intentional Peer Support Program (CIPSS) training provides a formal structured certification process which provides consistency and ongoing training for Peer Support Specialists. To maintain the quality care for Mental Health Consumers, staff are required to be CIPSS certified.

This vendor offers trainings including **Alternatives to Suicide** and **Hearing Voices Network** which fulfill a need to expand the quantity and variety of trainings that are available to over 100 CIPSS who are in the process of becoming certified or would like to maintain certification.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the capacity to provide this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost was determined through a strict timeline of deliverables and is based on a cost per training. Trainings and the follow up discussion will be provided at a flat rate of \$5,650 per training.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The Department does not intend to RFP this service. The vendor has proprietary rights to the trainings.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

The provider has proprietary rights and is the only entity that can provide this specific training and required materials for these trainings.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
