State of Maine Waiver of Competitive Bidding Request Form

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The online learning module purchased through the American Academy of Diabetes Educators (AADE) has a target audience of Diabetes Educators that work in Diabetes Self-Management Education and Support (DSMES) Sites. Currently the Department offers Professional Diabetes Educator Program (PDEP) to Diabetes Educators. Since the Department works with DSMES sites that have new Diabetes Educators that have not been through the PDEP training, the Department is purchasing these online learning modules through AADE to supplement the PDEP training and provide Maine's Diabetes Educators with nationally-recognized and standardized resources.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Sufficient staffing, resources or expertise do not exist in State of Maine government or any other governmental entity to provide this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost is based upon the market rate costs that this sole vendor lists in their catalog. By purchasing multiple items, we will receive a discount on the total purchase price.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

American Academy of Diabetes Educators (AADE) is the only vendor to have these proprietary Diabetes Self-Management Education and Support (DSMES) materials. The Department does not intend to RFP.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

AADE is the only vendor to have this information vital to Diabetes Educators that work in Diabetes Self-Management Education and Support (DSMES) Sites.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined
