<input type="checkbox"/>	E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving: (1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service; (2) A sharing of project responsibilities and, when appropriate, costs;		
	<i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non- competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

Maine's Certified Intentional Peer Support Program (CIPSS) has been in operation for ten (10) years. Maine's CIPSS training is a requirement for persons employed to work in Peer Support positions, and for their agencies to bill MaineCare. The Intentional Peer Support Organization is recognized internationally for Intentional Peer Support. For SAMHS IPS training to remain current and credentialed, it must meet the requirements of the IPS Organization.

SAMHS will be provided consultation from this Provider, who assisted with developing Maine's Certified Intentional Peer Support curriculum, and is an international leader in Intentional Peer Support.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Department does not have the expertise to provide this service.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The cost was determined through a strict timeline of deliverables and what the Provider charges per hour, plus travel.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The provider is the only entity that can provide consultation and training materials for this service. The Department does not intend to RFP these services.
