**3. Availability of other Public Resources**

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

We do not have licensed surveyors on staff.

**4. Cost**

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Rates are as bid in the RFP.

**5. Future Competition**

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

If there is additional work to be done once all renewals are exhausted a new RFP will be issued.
