PART III: SUPPLEMENTAL QUESTIONS

The focus of this effort is on expanding access to treatment in an integrated care setting. This will involve more clinicians prescribing medication-assisted treatment and behavioral therapy along with addressing other physical and mental health needs.

This amendment provides funds for additional OHH services to adequately serve the service needs in this area.

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

The Department will engage in a contract for Opioid Health Home Services with providers that have the appropriate license from the Division of Licensing and Regulatory Services and that have been approved by MaineCare Services to provide these services.

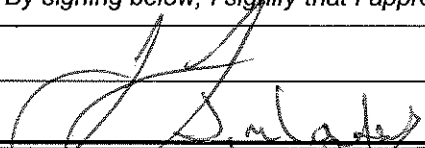

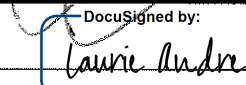

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The rates are standardized and consistent with the MaineCare rate as stated in the MaineCare Benefits Manual, Ch.101, Ch.2, §93.08.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to RFP for these services as this is a willing/qualified service.
