### PART III: SUPPLEMENTAL INFORMATION

Please respond to ALL of the following:

- Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.**

Due to the COVID virus all BMV locations were closed for several weeks. Now all locations are open by appointment only to the public. In order to maintain the required safety measures of social distancing it is necessary to control the number of people at a site entering for appointments. The guards are being used to help control the access to the BMV sites as well as help mitigate conflicts that might arise due to the requirements of social distancing and wearing a facial mask.

## PART III: SUPPLEMENTAL INFORMATION

**2. Provide a brief justification for the selected vendor to supplement the response in Part II.**

As this service is of an emergency nature the vendor was provided through a prior RFP bid list for similar services. Vets Securing America was one of the low bidders and is one of two vendors that will be covering the BMV locations by providing security services.

**3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.**

As this service is of an emergency nature the vendor was provided through a prior RFP bid list for similar services. Vets Securing America was one of the low bidders and is one of two vendors that will be covering the BMV locations by providing security services. The cost as negotiated is comparable to the cost provided in RFP bid to hire security guards for this purpose.

**4. Describe the plan for future competition for the goods or services.**

In the future for services like this BMV will have an RQS for this type of service posted in order to open the request up to all potential vendors.
