PART III: SUPPLEMENTAL INFORMATION

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

Opportunity Alliance is one of two capable providers who offer this service. The other, Wings, is located in the northern part of the state (Region 3) and not capable of serving youth in Region 1 and parts of Region 2. Opportunity Alliance is uniquely qualified to provide these services given their experience with DOC and executing the services, as well as their geographic location related to the departments specific need. The provider is uniquely positioned to administered Flex Fund Dollars through the Regional Community Care Teams, which reviews youth reentering the community from secure confinement, due to policies and procedures already in place and mechanisms to administer flex fund dollars.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

\$240,000 of the budget will be to deliver the high-fidelity wraparound service, the additional \$30,996.82 was approved through the Juvenile Justice Advisory group to provide additional funding to the provider to deliver flex funding, through Regional Care Teams, to address immediate needs for youth who are reentering the community following secure confinement. The funding was awarded to this provider because they have Standard Operating procedures in place to effectively deliver flex funding to youth. The department determines the cost is fair and reasonable.

4. Describe the plan for future competition for the goods or services.

The provider is one of two providers in the state that can provide this service. If more providers can provide this service in the future, an RFP will be issued.
