PART III: SUPPLEMENTAL INFORMATION
Please respond to ALL of the following:
<b>1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.</b>
The DOC has been receiving wraparound services provided by Opportunity Alliance through a sub-award of a federal grant awarded to Thrive. As the Thrive grant closed on 9/30/17, the department decided to continue these services through a sole sourced contract. The Department has critical needs in each region and for youth coming out of Long Creek, to receive wraparound facilitation, individual planning funds (direct and indirect supports), and continue case management supervision. These services are critical for delivering positive youth outcomes and decreasing recidivism rates statewide.

### PART III: SUPPLEMENTAL INFORMATION

#### 2. Provide a brief justification for the selected vendor to supplement the response in Part II.

Wings is one of two capable providers who offer this service. The other, Opportunity Alliance, is located in the southern part of the state (Region 1) and not capable of serving youth in Region 3 and parts of Region 2. The department contracts with OA separately for Region 1 services. Wings is uniquely qualified to provide these services given their experience with DOC and executing the services, as well as their geographic location related to the department's specific need. The provider is uniquely positioned to administer Flex Fund Dollars through the Regional Community Care Teams, which reviews youth reentering the community from secure confinement, due to policies and procedures already in place and mechanisms to administer flex fund dollars.

#### 3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

\$90,000 of the budget will be to deliver the high-fidelity wraparound service, the additional \$30,996.82 was approved through the Juvenile Justice Advisory group to provide additional funding to the provider to deliver flex funding, through Regional Care Teams, to address immediate needs for youth who are reentering the community following secure confinement. The funding was awarded to this provider because they have Standard Operating procedures in place to effectively deliver flex funding to youth. The department determines the cost is fair and reasonable.

#### 4. Describe the plan for future competition for the goods or services.

Maine DOC does not plan on putting this service through a competitive bidding process due to the number of available providers capable of executing programing objectives, assessed by the Division of Juvenile Services team. Maine DOC will reevaluate the provider landscape before each fiscal year begins and, in the event one or more additional providers are available, DOC will then open up a competitive bidding process.
