PART III: SUPPLEMENTAL INFORMATION

The provider will work with Commission staff to conduct site visits, participate on review teams and assist in the writing of reports to complete monitoring and oversight tasks of the Maine Charter School Commission.

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

The determination was made based on the uniqueness of the Commission's authorized schools and Mr. Drago's diverse background with both charter schools and non-profit organizations. The Commission employs its staff to carry out duties of authorizing and oversight of state-wide charter schools.

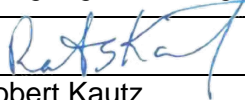

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The negotiated fees have been deemed fair and reasonable based on research within the Department of Education and based on its other current contracts. The negotiated fees are consistent with the Department's contract personnel.

4. Describe the plan for future competition for the goods or services.

Because of the uniqueness of the Commission and its work, we don't foresee future competition as a likely scenario.
