Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

PART III: SUPPLEMENTAL INFORMATION

The Maine Department of Corrections (MDOC) is in need of housing supports for youth reentering the community following secure confinement or youth who are involved with the juvenile justice system, in Juvenile Region 2 . MDOC is looking for a provider that has a master leasing, scattered site apartment setting with intensive case management services to support the justice involved youth, in Juvenile Region 2, and an emergency shelter in Juvenile Region 2.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

This contractor is currently the only licensed emergency shelter program located in Southern and Central Maine that is willing to take DOC referrals. It provides an array of less restrictive detention alternative services directed towards those youth being supervised through the DOC including those who are one step away from being detained or committed, who are homeless, and those who are run-a-ways or on the verge of being homeless or a run-a-way due to the current domestic issues they are face with. It is located in the most populous are of the State and an area that has the greatest number of detention requests and youth under the jurisdiction of the Department. In addition, within the past few months, access to short term emergency placement options have decreased in S. Maine with the closing of a program that previously served males. It is the distinctness in these services that makes this contract so vital to the youth DJS serves and to ensure the mission and goals of the Department of Corrections are being addressed.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

In order to support current full capacity staffing plan, budgeted expenses, and to continue to run the program as is, New Beginnings is in need of an additional FY22 amount of \$111, 456.00 to serve 2 justice involved youth, with a 3% increase to cover administrative costs, inflation, and/or security deposits for youth. The amendment will add an additional \$215,456.00 to FY23, to cover the increase youth served and an additional 3% increase for administrative costs, inflation, and/or security deposits for youth. The department deems this fair and reasonable.

4. Describe the plan for future competition for the goods or services.

New Beginnings is the only provider, willing to service justice involved youth, in a master lease/scattered site apartment setting in juvenile region two. In the future, when/if other providers emerge which are capable of providing this service, the Department will then seek competitive bids.
