PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

This agreement provides residential shelter services for homeless individuals with a substance use disorder, including those who are actively intoxicated. The purpose of this agreement is to protect and maintain life and to provide motivation for alcohol and drug treatment. In addition to providing food, shelter and clothing, the shelter program refers individuals to detoxification or other suitable treatment, to self-help groups, and to healthcare and psychiatric services. The mission is to ensure safety and promote recovery from addiction and other factors that lead to homelessness. Penobscot Community Health Care is committed to implementing evidenced based best practice work in operating the shelter, consistent with their work utilizing an Integrated Health Care Model.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The Provider is unique in that it is not only a homeless shelter, but is a shelter program that is able to accept individuals with a substance use disorder, including intoxicated individuals and motivate them to seek treatment for substance abuse, mental health, and physical health conditions. The Provider is the only shelter of this type in the greater Bangor area.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Costs are consistent with historical costs needed to run this specialized program for at least the previous 5 years. Costs reflect 2 years of the following associated expenses; salaries and fringe, utilities, technology, maintenance, materials, food, travel, etc.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to RFP these services.
