Please respond to ALL of the questions in the following sections.

PART III: SUPPLEMENTAL INFORMATION
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

**PART III: SUPPLEMENTAL INFORMATION**

The Maine Department of Corrections is in need of the continuation of Restorative Justice services in Penobscot and Piscataquis Counties to ensure Maine youth have access to community-based alternative services and decrease secure confinement.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Penquis CAP is the only provider that provides RJ services in Penobscot and Piscataquis Counties. The provider will collaborate with Corrections and Department of Education to develop Restorative Practices programming for schools across the state. Each juvenile offender is assigned a screened and trained adult mentor for the period between the initial conference that develops the reparative agreement and a closing conference that celebrates the juvenile fulfilling the requirements of the agreement. Restorative justice works by recruiting citizens into the work of restoration of offenders, victims, and communities.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Due to staffing vacancies, the provider was unable to spend FY23 funding. The Amendment is to allow for the funding to be utilized for FY24 and to cover services rendered in FY24. The current costs are consistent with other providers in the state and is considered to be fair and reasonable by the Department.

4. Describe the plan for future competition for the goods or services.

If another Restorative Justice provider is able to serve Penobscot and Piscataquis Counties, then an RFP will need to be issued.
