PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

25 M.R.S.A., chapter 353 established the Maine Drug Enforcement Act as the State’s response to the unprecedented threat to the health and safety that the distribution of scheduled drugs into, out of and within the State presented. Chapter 353 sets forth the development of a statewide drug enforcement program and strategy based on principles of integration and unification at all levels of law enforcement, including federal, state, county, and municipal levels and prosecutorial as well as investigative agencies. The Maine Drug Enforcement has no State employee staffing of commander, task force investigative supervisor or agent (Maine State Police equivalent of lieutenant, sergeant, or detective respectively) to address the drug threat. To implement this statewide drug enforcement program requires sub-contracting with municipal, county and state law enforcement agencies for staffing.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

Maine Drug Enforcement Agency does not have the staffing needed to address the requirement and is sub-contracting out the labor using available trained resources from municipal, county, and state law enforcement agencies allowing a demographic advantage in detecting and prosecuting drug offenders. The Provider's officer shall be compensated in a manner equivalent up to that of a Maine State Police Detective pursuant to 25 M.R. S.A., chapter 353.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The Provider's officer shall be compensated in a manner equivalent up to that of a Maine State Police Detective (Salary Specification 97, Grade 22, Step 4, pursuant to 25 M.R. S.A., chapter 353. Reimbursement of expenses to be requested will not to exceed that of a Maine State Police Detective, \$10.00 per hour special unit pay (clandestine lab assignment) when applicable, plus employer paid contractual and payroll costs associated with the officer’s hourly rate of a Maine State Police Detective. On a regular basis, the Provider shall invoice the Department the cost of assigning its officer. Invoices will provide sufficient detail as to salary costs and employer paid costs with supporting documentation to include a copy of the officer’s weekly timesheet.

4. Describe the plan for future competition for the goods or services.

The Department will continue to evaluate the need to sub-contract the position.
