<b>PART III: SUPPLEMENTAL INFORMATION</b>	
1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.	
The provider operates a facility known as the Florence House which is the only female homeless housing option for women who are chronically homeless and have been unable to be housed based on their mental health, substance abuse, and other disabling conditions. Prior to Florence House, women in this population were sleeping on cots at the Preble Street Soup Kitchen, after the YWCA closed 68 units of housing/shelter beds for women. Public Law 2009, c.213, Part A identifies that Florence House will receive funds to support the program.	
2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.	
Avesta Housing and Preble Street and their collaborative effort have created Florence House. Florence House remains the entity with expertise as an organization to serve women who are chronically homeless and have been unable to be housed based on their mental health, substance use, and/or other disabling conditions. Preble Street has unique experience and business relationships to keep this service available in this geographic area.	
3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.	
This facility operates 24/7 and is supported by other sources of revenue. The Department's portion of the total funding supports more than 27 FTE's which are a combination of professional and paraprofessionals used across many behavioral health services. Salaries, levels of effort and associated expenses for these services are comparable to similar services.	
4. Describe the plan for future competition for the goods or services.	
The Department does not plan to competitively procure these services.
