PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

This contract will continue to fund the training and certification infrastructure for the evidence based program, Community Reinforcement and Family Training (CRAFT). This program funds the certification and training for up to twelve clinicians annually. The training is very involved and requires a three (3) day training with ongoing supervision, monthly consultation and fidelity checks. The Provider also conducts Community Outreach and Engagement promoting CRAFT.

This EBP involves the client's family as a resource in the recovery process. This approach enables concerned significant others (CSO's) to better encourage their spouse/significant other/family member to reduce their harmful involvement with substances and to seek help in a safe and effective manner. CRAFT is implemented through outpatient treatment.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

CRAFT is a training and certification program provided by Dr. Robert Meyers team that is delivered to twelve clinicians across the State annually. KBH has coordinated this effort for at least eight years and built the necessary infrastructure to bring the approach to Maine. Clinicians from other community mental health and SUD service providers receive a three-day training provided by Dr. Meyer's team and receive monthly supervision, consultation and fidelity checks provided by a KBH clinician.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

This contract funds the training program delivered by Dr. Meyer's team, provides small stipends to clinicians for attendance, covers clinical time for monthly supervision and consultation, and administrative time for planning, scheduling and participant communication.

4. Describe the plan for future competition for the goods or services.

OBH does not intend to RFP this training coordination service.
