PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The Department is in need of High-Fidelity Wraparound services in juvenile region three to connect with youth leaving secure confinement to provide intensive support to reduce potential recidivism. These services are targeted towards juveniles aged 12-20 who are diagnosed with a mental health disorder and/or developmental delay who are involved with juvenile justice system. These services provide intensive case management services based on the National Wraparound Initiative model of care.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the solicitation (RFP/RFA/RFQ) number if applicable.

Wings for Children and Families (Wings) is one of two capable providers who offer High-Fidelity Wraparound services modelled by the National Wraparound Initiative. Only Wings provides this specific model of service in Northern and Downeast Maine (Region 3). Wings is qualified to provide these services given their experience with DOC and executing the services, as well as their geographic location related to the Department's specific need. The Opportunity Alliance also provides High-Fidelity Wraparound services in Maine, but does not provide services in Region 3. The provider is uniquely positioned to administer Flex Fund Dollars through the Regional Community Care Teams, which reviews youth reentering the community from secure confinement, due to policies and procedures already in place and mechanisms to administer flex fund dollars.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The department and provider negotiated costs and found they were consistent with previous years for hi-fidelity wraparound and administrative overhead for flex fund administration.

4. Describe the plan for future competition for the goods or services.

The provider is one of two providers in the state that can provide this service. If more providers can provide this service in the future, an RFP will be issued.
