PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

25 M.R.S.A., chapter 353 established the Maine Drug Enforcement Act as the State's response to the unprecedented threat to the health and safety that the distribution of scheduled drugs into, out of and within the State presented. Chapter 353 sets forth the development of a statewide drug enforcement program and strategy based on principles of integration and unification at all levels of law enforcement, including federal, state, county, and municipal levels and prosecutorial as well as investigative agencies. The Maine Drug Enforcement has no State employee staffing of Commander, task force investigative Supervisor or Agent (Maine State Police equivalent of lieutenant, sergeant, or detective respectively) to address the drug threat. To implement this statewide drug enforcement program requires sub-contracting with municipal, county and state law enforcement agencies for staffing.

Amendment is to remove Cumberland County Sheriff's Department as they can no longer fill the position and replace with York Police Department who is a willing and qualified agency.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the solicitation (RFP/RFA/RFQ) number if applicable.

Maine Drug Enforcement Agency does not have the staffing needed to address the requirement and is subcontracting out the labor using available trained resources from municipal, county, and state law enforcement agencies allowing a demographic advantage in detecting and prosecuting drug offenders. The Provider's officer shall be compensated in a manner equivalent up to that of a Maine State Police Lieutenant pursuant to 25 M.R. S.A., chapter 353.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The Provider's officers shall be compensated in a manner equivalent to that of a Maine State Police Lieutenant (Salary Specification 95, Grade 27, Step 8) pursuant to 25 M.R. S.A., chapter 353. Reimbursement of expenses will not exceed that of a Maine State Police Lieutenant, \$10.00 per hour special unit pay (clandestine lab assignment) when applicable, plus employer paid contractual and payroll costs associated with the officer's hourly rate of a Maine State Police Lieutenant. On a regular basis, the Provider shall invoice the Department for the contractual costs of assigning its officer. Invoices will provide sufficient detail as to salary costs and employer paid costs with supporting documentation to include a copy of the officer's weekly timesheet.

4. Describe the plan for future competition for the goods or services.

The Department will continue to evaluate the need to sub-contract the position.
