2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Bureau purchases this membership every year to promote our State Parks and inform the public about all the programs offered in the Parks. Paying membership dues allows the Bureau to work closely with the private business community as well as distribute our Park information widely at shows they attend and their website. This promotes outdoor camping for both the state rustic experience and the more highly developed campgrounds in the private sector.

The Bureau of Parks & Lands has paid membership dues for the last 15 years which result in numerous benefits including the material in the Annual Camping Guide on their website.
