The Department has developed and uses this through Healthy Maine Works (HMW) to guide and support Maine employers in developing worksite wellness programs that support the health of their employees. The new modules will include information regarding Tobacco, Breastfeeding, and once Chronic Disease (specific disease such as Asthma or Alzheimer's disease will be determined by the program).

The Department and any other governmental entity does not have the staff, resources and expertise to provide this service.

## 5. Future Competition

**Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.**

## 6. Uniqueness
