State of Maine Waiver of Competitive Bidding Request Form

Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.

The Maine Office of Tourism participates in consumer travel shows to promote the state as a destination. The Boston Travel Adventure Show serves a key market for Maine tourism in the Greater Boston area. Participation is supported by other advertising outreach in this market, and is part of the MOT's integrated marketing plan.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

Travel shows are an opportunity to reach a qualified audience and interact with them directly in-market. The shows are managed by specialized show production companies that serve the markets we are targeting.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

Now in its second year, the Boston Travel Adventure Show is still a relatively new market for the Unicomm Travel Adventure Show series, following a successful launch year that attracted almost 11,000 attendees. The 20 x 20 booth fee is in line with that of other shows of this size.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

N/A

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.
