State of Maine Waiver of Competitive Bidding Request Form

	D. It appears to be in the best interest of the State to negotiate for the procurement of petroleum products;	
	E. The purchase is part of a cooperative project between the State and the University of Maine System, the Maine Community College System, the Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State involving: (1) An activity assisting a state agency and enhancing the ability of the university system, community college system, Maine Maritime Academy, or a private, nonprofit, regionally accredited institution of higher education with a main campus in this State to fulfill its mission of teaching, research, and public service; (2) A sharing of project responsibilities and, when appropriate, costs;	
	<i>If citing the above justification for this sole source request, please note that the specific approval of the Governor's Office is required, in accordance with Executive Order 26 FY 11/12, "An Order to Enhance Competitive Bidding". The approval must be documented on DAFS/BGS/Division of Procurement Services "GOVCOOP" form, found here: http://www.maine.gov/purchases/info/forms/govcoop.doc.</i>	
	F. The procurement of goods or services involves expenditures of \$10,000 or less, in which case the Director of the Bureau of General Services may accept oral proposals or bids;	
	G. The procurement of goods or services involves expenditures of \$10,000 or less, and procurement from a single source is the most economical, effective and appropriate means of fulfilling a demonstrated need.	
X	If a different authorization specifically allows for this non-competitive procurement, please provide that reference here:	Any willing and qualified provider.
Please note that the following four points below (#2 through 5) <u>all</u> require a response.		
2. Description of Specific Need Please identify, and fully describe, the specific problem, requirement, or need the resulting non-competitive contract would address and which makes the goods or services necessary. Explain how the requesting Department determined that the goods or services are critical and/or essential to agency responsibilities or operations.		
Student's residing in the unorganized territories will be provided special education services as identified in each student's Individual Education Plan (IEP). Students are identified using mandated criteria set forth per Federal IDEA & Maine State Regulations. Every school is required by federal statute to provide a Free Appropriate Public Education (FAPE) for all students regardless of disability. The EUT does not have certified licensed staff to provide the required services. The EUT reaches out to and is willing to contract with any willing and qualified, certified licensed provider to perform the required services.

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

The Edmunds Consolidated School is located in Unorganized Territories and the State of Maine does not provide staff in those areas to provide the necessary consultation, evaluation, or provision of services as required per each student's IEP. Again, the EUT reaches out to and is willing to contract with any willing certified licensed provider to perform the necessary services.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

The EUT began the State of Maine process of submitting an RFP in order to advertise for Special Education related service providers. Several conversations took place and it was determined that because of the geographical scope of the areas needing to be covered in the State of Maine and the fact that the UT was willing to accept any willing, certified licensed provider in that area, that the RFP process would not be a good process. Calais Regional Hospital is fully licensed and able to provide the necessary services as needed and upon request. In addition, the fees charged by Calais Regional Hospital are consistent with other facilities statewide, as well as some private providers who were willing in the past to provide these services. The cost of travel for Calais Regional Hospital providers is less costly because of the location of their facility in relation to the Edmunds Consolidated School.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

The UT continually inquires, coordinates and collaborates with local area school districts in order to gain information in order to acquire willing providers who are qualified and/or already providing services in other local districts.

Waiver of Competitive Bidding Request Form**

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.

6. Uniqueness

Please explain if the goods or services required are unique to a specific vendor. Describe the unique qualifications, abilities, and/or expertise of the vendor and how those particular unique factors address the specific need identified above. If the vendor has unique equipment, facilities, or proprietary data, also explain the necessity of these particular unique assets.

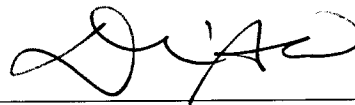

Calais Regional Hospital is a fully accredited, authorized health facility with qualified, licensed, and fingerprinted staff to provide the necessary services.

7. Timeframe (Complete only if B. is the Statutory Justification marked on Page 1)

Please explain if time is of the essence and an emergency exists which requires the immediate procurement of goods or services. Describe the nature of this emergency, provide the date by which the goods or services must be delivered, and explain how that date was determined and its significance (i.e. impact if delayed beyond this date). Also, provide information as to how it was determined this vendor is the best option to address this time-sensitive procurement.

Signature of requesting Department's Commissioner or Chief Executive (or designee within the Commissioner's Office):

By signing below, I signify that my Department requests, and I approve of, this Waiver of Competitive Bidding.
