PART III: SUPPLEMENTAL INFORMATION

This service is to provide community support and outreach for Youth experiencing homelessness. The services engage Youth experiencing homelessness, and their families, for the purposes of informing individuals of resources, providing temporary safe places to reside, reestablishing relationships with families and/or communities, access to local resources or systems of care, and obtaining or developing skills needed for independent adulthood.

This service is vitally important to identify youth who are experiencing homelessness, to assist them either directly or through referrals with the end goal of achieving a sustainable housing and support.

2. Provide a brief justification for the selected vendor to supplement the response in Part II.

The current Provider was selected through a competitive bidding process in RFP 210205315. RFP #201610194 was published, which included these services, yet failed to result in awarded contracts due to the cancellation of the RFP. RFP #2107023, currently in DCM review, has been delayed, per the Commissioner's office, due to multiple concerns from the current providers regarding the timeline for the proposals due, given the current direct service response related to COVID-19. DCM has approved an extension to 7/1/2021 for the current service group contracts to allow for uninterrupted service delivery during the COVID-19 emergency.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

The rates were negotiated through the RFP 201205315. The funding has increased by 10% over time, due to increased service delivery from 2013 to present.

4. Describe the plan for future competition for the goods or services.

This service will be incorporated into the Youth Homelessness Continuum of Care RFP with a contract start of date of 7/1/21.
