### PART III: SUPPLEMENTAL INFORMATION

Please respond to ALL of the following:

**1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.**

This contract is for the purpose of contracting with a Forensic Pathologist to perform autopsies, complete associated reports, provide office and weekend coverage, complete examinations, and other associated work. There are two forensic pathologists employed by OCME.

The additional contract pathologist is designed to distribute the autopsy case load in a manner that will ensure efficient and

timely completion of cases. There has been an increase in autopsies, specifically as a result of suspected drug overdose. Delays in processing of cases results in delays of closure for families, delays in paperwork completion from insurance companies, and stress on the two full time pathologists. Additionally, when the Chief and Deputy Chief Medical Examiners are not available for office coverage, Dr. Greenwald may cover. This is necessary to ensure the timely completion of forms and procedural guidance to keep this busy office moving.

**2. Provide a brief justification for the selected vendor to supplement the response in Part II.**

The State of Maine Office of Chief Medical Examiner requires a Board-Certified Forensic Pathologist for performing autopsies. There are only 5 in the State of Maine and the OCME utilizes each in some way in order to manage the important work of this office.

**3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.**

The OCME has negotiated with Dr. Greenwald an amount of \$1,000 per completed autopsy. This is approximately half the national average for the same services. This fee is a great value to the state for the work completed as Dr. Greenwald performs nearly twice the autopsies for the same money.

**4. Describe the plan for future competition for the goods or services.**

If the Office of Chief Medical Examiner can identify any competition they will also be offered a chance to negotiate and provide this service. To date we are not aware of anyone meeting the qualifications and able to assist in this role.
