## PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

**PART III: SUPPLEMENTAL INFORMATION**

The Department of Corrections has identified a large population of youth who are first-time offenders who need to be diverted to community supports and sanctions, rather than costly involvement with the courts and juvenile corrections. The DOC created the Diversion to Assets (D2A) pilot in 2008 through the existing Communities for Children and Youth (C4CY) initiative of the Governor's Children's Cabinet.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the RFP number, if applicable.

The purpose of the D2A program is to divert youth away from involvement in sanctions using governmental resources. Rather, the purpose is to engage a wide range of local community partners and resources to redirect and support these youth. The specific contractor is the network of providers involved in Communities for Children and Youth—consisting of 30 local community coalitions throughout the State of Maine—that have identified themselves as partners with the Children's Cabinet in the work of prevention and positive youth development. There is no other such network in Maine, and the local communities involved include many non-profit and local governmental agencies in their local C4CY collaboration. The collaboration is open to any provider joining to expand the work already being performed. It is essential that the Diversion to Assets program engage all of these partners in the delivery of this program because the purpose of the program is to connect the youth with natural community supports.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

In order to support current full capacity staffing plan, budgeted expenses, and to continue to run the program as is, the provider is in need of \$96,484.00. A full budget will be included with the contract submission. The department deems this fair and reasonable.

4. Describe the plan for future competition for the goods or services.

It has been the Department's vision to continue to provide resources to this important service. The Communities for Children Network is the only such network in the state, and has taken 15 years to develop, it would not be possible for another contractor to step in and provide the same level of expertise.
