PART III: SUPPLEMENTAL INFORMATION

1. Provide a more detailed description and explain the need for the goods, services or grant to supplement the response in Part I.

The State of Maine is required to serve youth who require residential treatment services related to intellectual, developmental and physical disabilities, vision and hearing impairments, complex medical conditions, and behavioral challenges. Many of these youth require the highest level of residential treatment due to extreme aggression towards self and others, with potential for severe injury. The care of these children necessitates the highest degree of staffing and residential treatment.

Each out-of-state residential placement provides twenty-four (24) hour residential care to youth who require intensive therapeutic and educational support. These residential programs work with youth on coping with mental health challenges, emotional difficulties, developmental disabilities, and challenging behaviors and/or the trauma caused by abuse and neglect. The goal of residential placement at these out-of-state placements is to engage the youth's legal guardians in treatment, to strengthen the youth's ability to participate in the communication and to return to a less restrictive environment as quickly as possible.

2. Provide a brief justification for the selected vendor to supplement the response in Part II. Reference the solicitation (RFP/RFA/RFQ) number if applicable.

These specialized services are not available in the State of Maine. No other state or local resources are available to provide these services. Maine does not have the resources, and there are too few children with these significant needs, to create and operate a specific program to provide these services.

3. Explain how the negotiated costs or rates are fair and reasonable; or how the funding was allocated to grantee.

Room and Board is a standard daily rate, \$51.94 per youth in placement.

4. Describe the plan for future competition for the goods or services.

The Department does not intend to competitively procure this service. Residential placement for children with needs for this level of services would not be appropriate for the public competitive bidding process.

PART IV: AMERICAN RESCUE PLAN ACT (ARPA) / MAINE JOBS & RECOVERY PLAN (MJRP)

Does this request utilize ARPA/MJRP funds?

☐ Yes, MJRP funds (023) – If Yes, please attach the approved Business Case(s).

☐ Yes, ARPA funds (025) or (026) – If Yes, please be aware of the requirements from awarding federal agencies.

☒ No – If No, proceed to Part V.

PART V: CONFLICTS OF INTEREST (COI); CONTRACT WITH THE STATE

Procurement Justification Form (PJF)

Maine law contains Conflict of Interest statutes directed to State Departments, State Officers, and Employees Generally under MRS Title 5, §18 and §18-A, in harmony with MRS Title 17, §3104.

☒ The requesting department's signatory affirms, understands, and acknowledges Maine's Conflict of Interest statutes and, in accordance with those statutes and to the best of their knowledge, has determined that no conflict of interest exists at the time of this contract, renewal, or amendment.
