Please note that the following four points below (#2 through 5) all require a response.

2. Description of Specific Need

3. Availability of other Public Resources

Please explain how the requesting Department concluded that sufficient staffing, resources, or expertise is not available within the State of Maine's government, or other governmental entities (local, other state, or federal agencies) external to the requesting Department, which would be able to address the identified need more efficiently and effectively than the identified vendor.

4. Cost

Since a waiver of competitive bidding is being requested for this procurement, please explain how the requesting Department concluded the negotiated costs, fees, or rates are **fair and reasonable**.

5. Future Competition

Please describe potential opportunities which may be available to foster competition for these goods or services in the future.

If we need to replace the scanners in the future, we will put the purchase out for competitive bidding.

Please note that only one of the two points below ("Uniqueness" or "Timeframe") requires a response. Requesting Departments are not required to respond to both points.
